

About Us

Our Owner

David Miranda, PT, Owner

We are proud to be a Veteran owned clinic.

Owner David Miranda achieved his Bachelor of Physical Therapy at Hogeschool van Amsterdam, University of Applied Sciences. He has more than 10 years of experience in orthopedics, neurological disorders, prosthetic training, cardiac rehab, manual therapy, and wheelchair and home evaluations. He has also treated athletes, both at the collegiate and professional levels.

David's philosophy is that physical limitations or injuries should not hinder your quality of life. He works individually with patients to ensure that they quickly get back to doing the things they love in life.
